

Step 1: To Be Completed By Requesting User — Only One User Per Form

Requesting User Information

Note: The Requesting User must be an Authorized Person on the Resolution and Authorization: Member Transactions, Certificate of Designated Persons—Entire Authority, Certificate of Designated Persons—Advances, Certificate of Designated Persons—Collateral, or the Certificate of Designated Persons—Securities Services already on file with the Federal Home Loan Bank of San Francisco (Bank).

I am requesting a SecurID token for: ☐ Advance Transactions ☐ Securities Forms Submission ☐ Both

Your SecurID token will be sent by overnight mail to this name and address.

Address (Address may not be a P.O. Box)			
City		State	ZIP Code
Telephone Number	Fax Number	Requesting User Email Address	

Note: We will send an email to the address specified above, to confirm receipt of this Application. Once you respond to that email, we will send you a SecurID token and the appropriate eTransact User Guide(s).

For Advance Transactions Only

When you (the Requesting User) complete an advance transaction using eTransact, an email notifying you of the transaction will be sent to the email address specified above. These emails are not encrypted. If you wish to have additional people from your institution receive an email notification of an eTransact advance transaction, please provide their name(s) and email address(es) below.

Authorizations

I am authorized by the Resolution and Authorization: Member Transactions, Certificate of Designated Persons—Entire Authority, Certificate of Designated Persons—Advances, Certificate of Designated Persons—Collateral, or the Certificate of Designated Persons—Securities Services to act on behalf of the institution as designated in the appropriate authorizing documents. I understand that the use of the security device (SecurID Token) is governed by the Terms of Use governing the Bank's website and by any other applicable documents. I further understand that I am personally responsible for safeguarding the SecurID Token and the associated Personal Identification Number (PIN), which I will set up online as part of the First-Time Login process. I further acknowledge that the email notification of any transactions between me (Requesting User) and the Bank contains sensitive information and is unencrypted.
